Today's Scripture: Psalm 23

College Wesleyan Church

SERVICE TIMES • 9:15am | 10:45am

Welcome to College Wesleyan Church

The mission of College Wesleyan Church is to make more and better disciples who transform the community and resource the Church. CWC desires to partner with God in restoring people and redeeming the world by reflecting Jesus Christ.

We want you to feel at home and well-informed as you enter into worship and become a part of our church family. To assist you in navigating opportunities each week to grow and serve, you will find printed materials for each ministry area, in the Atrium. You can also find out more at our website, collegewes.com, or by calling us in the church office at 765-674-8541, M-F for more personalized service.

Communion is being served this morning and is open to all Christ-followers. We celebrate communion via intinction. That is, we dip the bread in the cup before partaking in the sacrament.

Two gluten-free stations are available at the front of the Sanctuary to the left and right of the altar. Please see an usher if you have questions or need assistance.

IDEAS FOR INCLUDING

"Anxiety Feels Like..."

"What's diagnosed anxiety like? For me, my heart begins to pound, I feel overwhelmed, my hands shake, and if I don't do anything to stop the anxiety, or if the situation is too much, these symptoms escalate until I am overwhelmed with the feeling like something really bad is about to happen, even if it isn't rational, like someone hurting me. I think the 2 most important things for others to remember are: first, people can look perfectly fine from the outside during an anxiety attack, but inside they could be crippled by fear. Second, anxiety symptoms differ from person to person: hyperventilating, chest pains, stomach aches, anger, and even a misdiagnosis of depression or, in young children, ADD."

At CWC, we strive to empower and be empowered by our brothers and sisters with special needs.

OUR MISSION

Making More & Better Disciples

We are blessed to be adjacent to the campus of Indiana Wesleyan University and consider it a gift to be part of raising up students for leadership in the world. We are excited by the numbers of students from both IWU and Taylor University who worship with us each Sunday, who serve in ministry with us and are part of Spiritual Formation groups. As a sending church, our Ministry Development Program (MDP) continues to equip and send out leaders into youth ministry, denominational headquarters, church revitalization and other ministry areas.

Transforming the Community

With more than 300 commissioned "shepherds," we are committed to influencing our neighborhoods, workplaces, and homes with the transforming power of Jesus Christ. We seek to develop strong and healthy families which aid in the revitalization of our community.

Resourcing the Church

In building partnerships with other churches, we have opportunity to influence, serve, and lead beyond our own congregation. These partnerships inspire and produce events, curriculum, and services that promote a nurturing ministry and revitalization of smaller local churches.

Psalm 23 is often referred to as the most widely-known Psalm in the Bible. We learn it early in our journey with Christ and recite it often. But there is a distinct difference in knowing the Psalm and living it. As a Psalm of assurance, Psalm 23 is intended as a Psalm for living—providing us with an expression of confidence in God, our great Shepherd who will provide for every need.
